

Scarecrow Festival Success

On October 16th, Barrington celebrated its 4th Annual Scarecrow Festival. Activities for the day were mostly celebrated inside the warmth of the Barrington train station. Representatives from the Barrington Community Child Care Center graciously hosted several children's games. Pumpkin painting, face painting, cookie decorating, remote control NASCAR racing and free hay rides were all part of the days events. As part of the Fest, participating businesses built their own scarecrows and residents were encouraged to vote for their favorites. On October 25th, the following prizes were awarded:

FIRST PLACE

Barrington Community Child Care Center

SECOND PLACE

Corporate Identity

THIRD PLACE

The Barn of Barrington

HONORABLE MENTION

Egg Harbor Café
